# The Digital Transformation Imperative

### A Rapidly Digitizing Economy

From e-filing taxes to e-tendering, India's economy is undergoing a sweeping digital transformation that touches every sector and citizen.

### Authentication is Now Essential

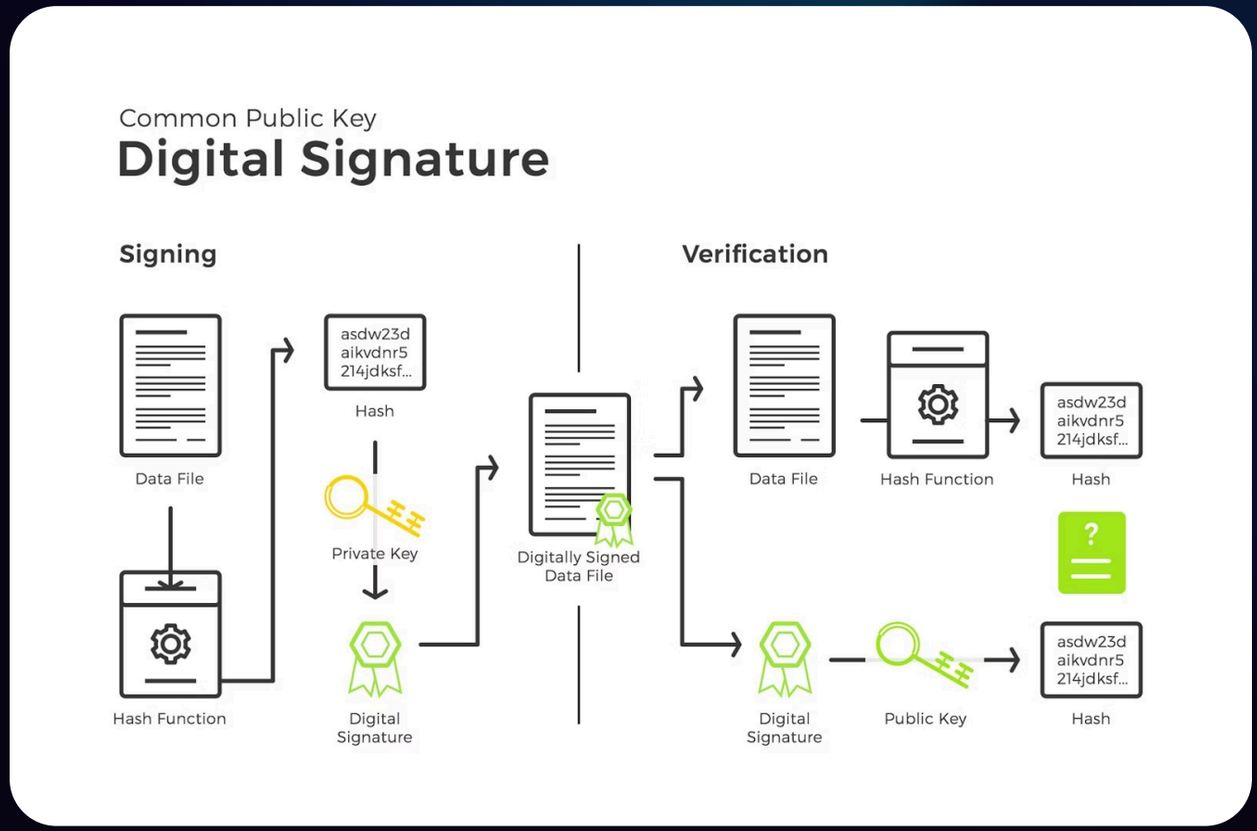
Secure and authenticated digital transactions are no longer optional — they are a legal and operational necessity for businesses and individuals alike.

### The Need for Digital Identity

This shift demands robust, trusted digital identity solutions that meet regulatory standards and inspire confidence in every interaction.

Made with GAMMA

# What is a Digital Signature Certificate (DSC)?



A **Digital Signature Certificate (DSC)** is a secure, cryptographic digital key issued by a Certifying Authority that verifies your identity in the online world.

### 🔐 Legally Equivalent

Carries the same legal weight as a handwritten signature under the IT Act, 2000.

### ✅ Trusted Identity

Verifies your identity for secure online transactions, filings, and contracts.

### 📋 Compliance Ready

Mandatory for government portals, e-tendering, income tax filing, and more.

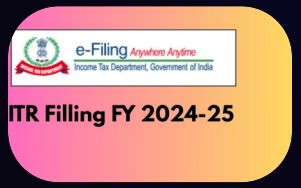
# Our Comprehensive DSC Offerings



## Class 2 DSC

Mandatory for e-filing including ITR, ROC, GST, and EPFO. Entry-level security for everyday compliance needs.

## Class 3 DSC

Highest assurance level, ideal for e-procurement, e-tendering, and high-security government and corporate transactions.

## DGFT DSC

Purpose-built for EXIM organizations holding Import Export Codes, ensuring compliance with DGFT portal requirements.

Delivered through GTPA & EMTC, each course you complete earns you a digital badge - or "stamp" - that highlights your achievement and builds your professional credibility.
These badges are more than just symbols — they're verified credentials that you can share with employers, partners, and peers to demonstrate your growing trade expertise.
Why Join the Global Trade Passport Program?
Build your global trade credentials at your own pace
Earn digital badges that validate your skills across trade finance, supply chain, compliance, policy, and more
Pathways for every level, from beginners to seasoned executives

## Foreigner DSC

Tailored for international clients who require Indian regulatory compliance for business or legal transactions.

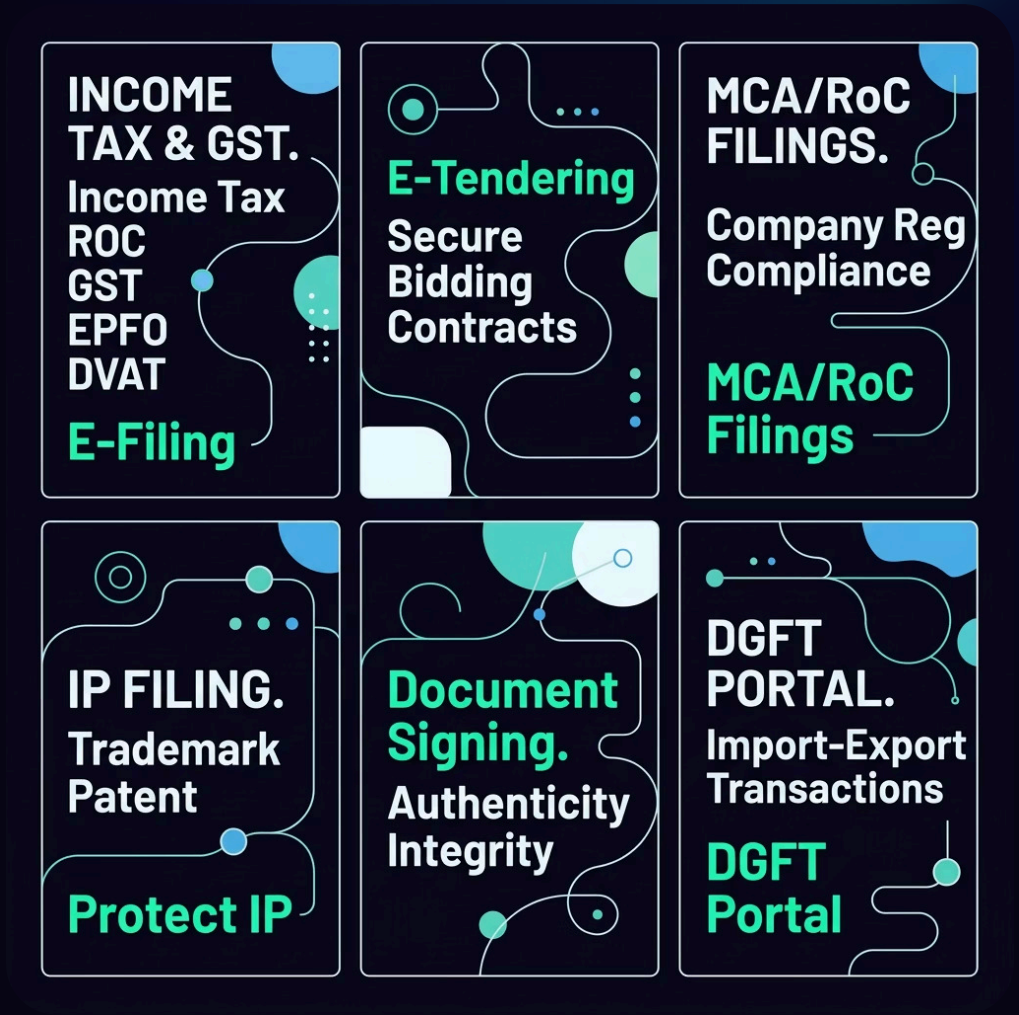
# Real-World Applications of DSCs



Digital Signature Certificates are the backbone of India's digital governance ecosystem. Whether you are a chartered accountant filing ITR, a business bidding on a government tender, or a startup registering on the MCA portal, a valid DSC is your gateway to seamless, compliant digital participation.

DSCs are legally mandated for over **15+ government portals** including Income Tax, MCA21, EPFO, and GeM Procurement.
